**Notes:**

- \*Head usher should arrive half-hour before each service and coordinate any special duties with pastor.
- \*Keys should be passed from Head Usher to Head Usher each month.
- \*In the event that you cannot serve any Sunday for which you are scheduled, it is your responsibility to switch with someone or call the Head Usher for your month.
- \*On any Sunday when there is only one service--e.g., the church picnic--the 8:30 ushers would be expected to usher for that service.
- \*During Lent, the 8:30 ushers will hopefully be available for the 7:00 pm Wednesday services.

**Thank you for serving the Lord in this helpful way.**
